

ER-4-4390

29 July 1953

MEMORANDUM FOR: Acting Deputy Director (Administration)

SUBJECT : Career Training

REFERENCE : Memorandum for C/MS from A-DD/A, dated 1 July 1953,
Subject: Career Training

1. In accordance with paragraph 2 of reference memorandum, your consideration is requested of the training aspects of the intended career program of [redacted]

25X1A

2. Attachment A outlines [redacted] request for training; Attachment B is the endorsement by the Chief, Psychiatric Division; and Attachment C outlines biographical information pertinent to the subject.

25X1A

25X1A

3. The intended training program for [redacted] may be summarized as follows:

a. Chosen field for training is in psychiatry.

b. The intended value to the Agency is the application of psychiatry to operations.

c. Training would be accomplished at a local military hospital without training expense to the Agency.

d. Subject to periodic evaluations, at least on a yearly basis, the program allows for the continued supervision of the Program Coordination Division by [redacted] during his first year of training, requires research on behalf of the Agency during his second year of training, and the employment of the subject in a full-time Agency training status with the Psychiatric Division during his third year of training.

25X1A

4. It is believed the program as outlined will provide the basis for a career program for [redacted] that will constructively serve the interests of the Agency. It is recommended to you.
